BHTA – BRITISH HEALTHCARE TRADES ASSOCIATION***** are Members of the BHTA**

The BHTA is closely involved with developing industry and product standards, liaising with government bodies to protect its members and the general public.

Everyone who qualifies for the BHTA scheme is bound by a Code of Conduct; to promote and safeguard consumer interests beyond the minimum of consumer law.

If you are not satisfied with a product, service or complaint outcome from a BHTA member, then the BHTA's complaints conciliation service will attempt to resolve the issue without going to court. The BHTA members also offer protection of pre payments or deposits. The BHTA can also arrange for an independent redress scheme (arbitration, free to consumers).
