Important Update - ILC Benefits Advice Service

Our Benefits Advisor Sheila is retiring in May 2021 and is unfortunately unable to take on any new cases between now and then.

Please visit the FAQ page on our website for other local organisations who may be able to help. If you phone the number on your paperwork you may be granted an extension of the due date, which may allow you more time to arrange an appointment with one of the other organisations.

Please continue to get in contact with Sheila as normal if she is currently helping you with an ongoing claim.
