Important Service Update

We are unfortunately unable to provide an Occupational Therapy service at present, and will temporarily only be able to offer basic information and signposting to other organisations.

We will update our website again once we have a new Occupational Therapist in place and can therefore open to referrals for telephone and face-to-face appointments again. We unfortunately cannot offer a waiting list at this time.

For equipment assessments and information about the suitability of any items, please contact the Adult Social Care team. For Wiltshire Council the number is 0300 456 0111, or for Bath and North East Somerset it's 0300 247 0203.

If you are looking for general information or are a health professional with an information enquiry, this may be able to be answered by our Occupational Therapy Assistant, so please phone 01380 871007 or email us at welcome.ilc.semington@googlemail.com and we will see if we can help.

Our Benefits Advisor is retiring in May 2021, so is unable to take on any new cases. If she is currently helping you with a claim then she will be in contact, otherwise please visit our website for information about other organisations who may be able to help with benefits advice and support.

Best wishes,

The ILC Team
