“Having spent the last 15 years leading small charities and working in community development I'm really thrilled to be working with the team at the ILC. I am driven by supporting organisations that make such a huge difference to people's lives, to be recognised and supported in order that they can keep doing their vital work for years to come.

When I'm not working with the ILC I'm a Mental Health First Aid Trainer, a wife, and a mum and step-mum to three teenagers. To get away from all that I am a keen reader and love long walks! As I write this I'm about to walk the Cleveland way... 109 miles... so I hopefully I make it back in one piece to start my new role in earnest!”
