Structure, governance and management

Governing Document

The Wiltshire and Bath Independent Living Trust Ltd is a Charitable Company limited by guarantee. The Company was incorporated on 29 August 1990 and registered as a Charity on 25 October 1990. The Company was established under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association.

Appointment of Trustees

The Trustees are elected at the Annual General Meeting, with any casual vacancies arising during the year being filled by the co-option of additional Trustees. The Trustees are chosen for their breadth of experience in disability issues although persons with additional and wide ranging skills are also encouraged to become Trustees to add to the overall skill levels available to be called upon.

There are currently 12 Trustees who meet regularly to supervise the operations of the Charity. Applications for these posts are actively sought. Day to day responsibility for the management of the Charity is delegated to the Chief Executive, supported by a small number of Trustees, designated as the Management Committee.

Organisational Structure

Day to day management and running is delegated to the Chief Executive and Office Manager.

Objectives and activities

The Charity acquired the freehold of the old Semington Hospital in 1997, having previously operated from there under a tenancy. The building provides information and support to the elderly and disabled to make their lives easier. The Charity provides advocacy, advice and information on all matters relating to disability and also provides office facilities to other Charities with similar or complementary aims.

Achievements and performance

Working in partnership with Medequip, staff at the Centre conducted just under 400 detailed assessments on clients with disabilities and responded to over 450 information requests. Due to Covid-19, the majority of these appointments took place remotely, however face-to-face appointments were offered between lockdowns with a full risk assessment in place. 87% of these appointments were people from Wiltshire, while 13% came from BANES. Clients are referred to the centre by Occupational Therapists in Social Services and Hospitals or by GP surgeries, however, many members of the public self-refer having learned about the centre in local press or by word of mouth, meaning staff also dealt with just under 1000 general enquiries.

During the last year our Benefits Advisor helped 134 new clients access benefits in excess of £465,000. The majority of these appointments also took place remotely, with all remote appointments having successful outcomes. 96% of these appointments were people from Wiltshire, while 4% came from BANES.

Financial review

The net deficit for the year amounted to £13,069 (2020 - Deficit £32,127). The deficit has been met from unrestricted reserves.

The reduction in the net deficit from £32,127 in 2020 to £13,069 in 2021 is largely due to a reduction in our maintenance expenditure following investment in roof repairs in 2019, in addition to a small increase in our grant income. This has helped us to limit the impact of the reduced income and increased expenditure we have experienced due to Covid-19 and stands us in good stead for the coming year.

Reserves

At the year end reserves amounted to £361,633 (2020 - £374,702). This is made up of £283,248 (2020 - £289,305) of unrestricted funds and £78,385 (2020 - £85,397) restricted funds

The Charity's reserves policy is to hold at a minimum of £20,000 of the unrestricted funds as cash on deposit or in the bank to cover the redundancy costs of ILC staff should redundancies occur.

Free reserves at the year end (unrestricted reserves not represented by fixed assets and investments) amounted to £30,563 (2020 - £29,423)

Future Plans

The Trust will continue its usual programme of providing free advice and assessment services to members of the public, educational opportunities and assistance to professionals working with the elderly and the disabled and seek to maintain good working relationships with Medequip, the principal contractor to Wiltshire Council for the provision of services such as ours.

The trustees and Chief Executive will work together to secure additional income from charitable funds, grants and commercial activities to reduce the current deficit.

Independent Examiner's Report to the Trustees of Wiltshire & Bath Independent Living Trust Ltd

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of Wiltshire & Bath Independent Living Trust Ltd ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.
