Join us as a Trustee!

A bit about us

The ILC is based in Semington between Trowbridge and Melksham. Our core work is *"To enable people of all ages with any degree of disability to remain independent and live as full lives as possible in their own homes, by allowing them to see and try a wide variety of equipment which can help them in their everyday living."*

We also support other charities to carry out their work from our building, offer space for hire, provide benefits support and other help to those in need and we have ambitions to do even more!

We have a fantastic team of Trustees who are the critical friends we need to help us to grow and be sustainable into the future, but we need more! We are really keen to have Trustees who are representative of our wider cultural community, those who have lived experience of disability and paid and unpaid carers.

Why become a Trustee for the ILC

We hope that by becoming a Trustee for us you will not only have the satisfaction of knowing that you're part of a team working hard to make a difference but that you build relationships with and learn from other Trustees who have incredible expertise and experience. We hope we'll all be able to enjoy social occasions together again soon.

To find out more about becoming a Trustee please email Chantelle at information.ilc.semington@gmail.com or call 01380 871007
