

THE INDEPENDENT LIVING CENTRE

Semington, near Trowbridge

01380 871007

www.ilc.org.uk

Although all legal Covid restrictions have ended in England today, we are still taking safety seriously at the centre, as many of our visitors are clinically vulnerable.

We are therefore continuing to ask people to wear a mask when visiting the building, unless exempt due to a medical condition. We also request that you phone to reschedule your appointment if you or your companion have any symptoms of Covid-19.

Thank you for your support in keeping our staff and visitors safe.
