Service Update 05/07/2022

We are temporarily unable to add anyone else to our waiting list for an appointment or telephone information from our part-time Occupational Therapist. **The waiting list will be open again from 1st August 2022, so please get in touch with us after this date if you would like an assessment or advice.** If you are already on the waiting list, please be assured that our OT will contact you in due course.

You can visit our website **ilc.org.uk** to find out more information about our current service, and how we can help you or your friend/family member. Please be aware that all visits to the centre need to be booked in advance.

Thank you for your understanding.
