Service Update - 01/06/2023

Unfortunately due to extremely high demand, we are currently fully booked in June and July, and unable to add anyone else to the waiting list to visit the centre. Our Occupational Therapist is on annual leave in August, so we will aim to re-open the waiting list in mid-August ready for her return.

We are a small charity and all visits to the centre do need to be booked in advance.

If you have your own OT through the Council or NHS then you can ask them to contact us and we can arrange for them to use our centre for their own appointment with you.

**If you have concerns about the safety or wellbeing of a person then please contact Adult Social Care on:**

**Wiltshire Council - 0300 456 0111**

**BaNES Council - 01225 396000**

You can visit the *"Useful Information"* page on our website to find a list of mobility retailers who can help you with purchasing and hiring equipment, as well as a list of second hand items for sale, and other useful organisations to contact.

You can also ask us to send you a copy of any of our Wisebuy leaflets, to help make sure you have taken everything into consideration before making a purchase from a shop. These are not designed to replace an OT assessment, but to act as a guide when liaising with retailers or reps.

If you have an enquiry about any of the other services we offer, e.g. training room hire, or equipment information requests (rather than advice), then please do contact us as normal on 01380 871007 or [welcome.ilc.semington@googlemail.com](mailto:welcome.ilc.semington@googlemail.com) and our Centre Manager or OT Assistant will be happy to help.

Thank you for your understanding, and we look forward to opening our waiting list again soon.
