Good news for clients living in Bath and North East Somerset

In February 2024 we shared the disappointing news that from April 2024 we would no longer be receiving funding from BaNES Council to help clients living in Bath and North East Somerset, as they are developing the Community Equipment Service, the Minor Adaptations Service and the Community Wellbeing Hub to support independence for residents of these areas.

There's nothing quite like the Independent Living Centre though, and we've still been getting plenty of calls from clients and professionals from BaNES looking for help and support. Fortunately, the Quartet Community Foundation has come to the rescue, awarding us a grant from the Tredwin & Pennington Family Fund to continue to see BaNES clients for another year. We are incredibly grateful to them for this - we are a small organisation who make a big difference, and we couldn't do it without this kind of support.

We can start adding clients from BaNES to our waiting list immediately, so email us at ILCSemington@gmail.com or phone **01380 871007** to find out how we can help.
